FIRST THINGS TO DO

- As soon as you know your move date, book your MiniMovers team**
You can do this by calling 1300 366 000 or going online at www.minimovers.com
- Formally notify the landlord of your intention to vacate the premises**
- Tell your new landlord of your moving schedule**
- Organise for a storage facility if you need one**
For a full list of storage facilities in your area visit www.minimovers.com

PREPARING YOUR STUFF

- Create a list of items you no longer need or want**
Give them to a charity, friends and family or hold a garage sale. The less clutter you have, the easier it will be to pack
- Order quality removal boxes and packing materials**
www.minimoversBOXES.com
(Don't be tempted to use 'free' boxes - they will break and their odd sizes make loading and unloading the removal truck very slow.)
- Start packing**
This is a long job - allow at least 2 weeks
If you don't have time MiniMovers can provide professional prepackers to do a part of or the whole job for you. For more information visit www.minimovers.com.au/packing
- Label all boxes with the room they belong in at the new place**
- Write the contents of each box as you pack it**
Stick it on top of the box to help you find an item later on
- Create a special 'move day' bag**
Put your keys, prescriptions and anything you need easy access to in it
- Dismantle larger furniture, or leave it for the moving professionals**
Put all bolts, brackets, screws etc in a labelled and sealed bag. Then stick it firmly to the underside or in a drawer of the item they belong to so you can easily find it later on
- Dismantle outdoor furniture - watch out for spiders**
- Drain the oil and petrol in the lawn mower and other mechanical items**
- Backup your computer's hard drive**
- Organise for a rubbish removal service**
We recommend 1800-GOT-JUNK for rubbish removal services
- Drain and disassemble any waterbeds**
- Take the remote garage door opener out of your car!**
- Return any DVDs, games and or library books you may have out**
- Use everything in the fridge before the move day**
Throw it out if it won't be used
- Defrost the freezer**
If you need to keep the contents of your freezer, put them in an eski with ice on the day of your move
